Elvis doesn't live here anymore.

Hey there. Sorry about the drama. It was... it was an emotional decision, and I didn't handle it well. So yeah, I'm sorry.

Scary.

Hey. I want to go bowling. They still have beer at bowling alleys, don't they?

You mean I need more public humiliation in my life? \*g\*

But it's true that I've lived here for two years and still have no idea what people mean when they talk about "duckpin bowling."

Crawling, then balling.

It's a go.

You think R/F would notice if we snuck out at three on a Friday? We \*do\* work for the government.

Oh, but you'll have to wait on the duckpins. I want big honkin' butch All-American bowling.

Okay.

That was fun.

Why didn't anybody tell me it was just *physics*?

 [Ometotchtli](#)

[October 27 2007, 02:27:34 UTC](#)   [COLLAPSE](#)

IT'S JUST PHYSICS!

That got nearly scary after a while, Platypus.

I think I saw people eyeing you covetously for their bowling team.

I think I need a handicap. Dude, the \*vectors.\* You can see 'em happen. It's piles and piles of nearly inelastic collisions. Well, once I started to get the right English on the ball. That's a tricky bit. I bet in a couple of weeks of practice I could get that down.

That's so awesome!

Or less. Only took ya ten minutes to figure out the whole get-your-fingers-out-of-the-ball-before-it-starts-down-the-alley trick. (Heeeee!)

Er, yeah.

Ow.

MY FEET ARE NOT THAT BIG!

Noooo, they're just kind of long AND REALLY SKINNY! It's like putting shoes on a sourdough baguette! \*g\*

The only real verifiable primal gender difference may be that men think feet are sexy and women think they are gross.

Months later, I start to catch up on LJs. I found you by friends-surfing.

Anyway.

Fie on that bit of sexism, I'm certifiably female and think feet are sexy.

But not food in bowling shoes. Yikes.
